ZARNA RAMI

zarnarami1016@gmail.com | +91 9512149998 | vastral Ahmedabad

SUMMARY

Dynamic full stack developer with hands-on experience at Zarna, where I implemented innovative solutions using MongoDB, React, and Node.js. Proven problem-solving and teamwork skills led to enhanced project functionality and successful collaboration with diverse teams. Adept at communicating complex ideas effectively, driving impactful results in development projects.
